Dog Release of Liability & Event Rules

We are thrilled to have you, and your dog join us for this exciting walk/run event hosted by SendRoverOnOver.net! We aim to create a fun, safe, and enjoyable experience for both you and your furry friends. To ensure everyone's safety and comfort, please adhere to the following guidelines:

- 1. Dog and People-Friendly Dogs Only**

We welcome dogs that are friendly toward people and other dogs to join you in the walk/run. Please ensure your dog is well-behaved throughout the event.

- 2. Registration and Check-in**

Please leave your dog in the car for a moment while you register or check in. This is important for both your dog's safety and for efficient event check-in. Please ensure your dog is not left in a hot car for extended periods of time.

- 3. Be Aware of Your Surroundings**

While walking or running, always stay aware of your surroundings, especially when other dogs are nearby. Give dogs plenty of space if they appear uncomfortable or nervous around others.

- 4. Keep Your Dog Safe and Comfortable**

Do not allow your dog to get bunched up with other dogs or people, as this could cause stress or discomfort for your dog or others.

- 5. Treats and Positive Reinforcement**

Bring treats to reward your dog and make the experience more enjoyable for both of you. Positive reinforcement helps ensure a fun and stress-free time for your dog!

- 6. Proper Gear**

Please ensure your dog is wearing a well-fitted collar or, preferably, a harness to prevent discomfort or potential injury.

- 7. Waste Management**

Please bring your own poop bags and ensure that you clean up after your dog promptly. We strive to keep the event area clean and welcoming for all participants.

Property Release of Liability

We would like to remind all participants that the event will take place on private property. To ensure a safe and enjoyable experience, please follow the property guidelines below:

- 1. Stay Within Designated Areas**

Please remain within the designated walking and running areas throughout the event. For

your safety and the safety of others, do not enter or cut through the walnut tree area, as this is private property.

2. Clean Up After Your Dog

Be responsible and clean up after your dog. Please do not leave any waste or poop bags behind. Let's keep the property clean and tidy for everyone to enjoy.

3. Uneven Ground and Hazards

The event area may have uneven ground, including squirrel holes, which may pose a tripping hazard. We strongly recommend wearing sturdy shoes and being cautious of where you step.

Release and Hold Harmless Agreement

By participating in this event, you agree to the following:

1. You agree to release and hold harmless the Santos family, any affiliates, and property owners from any claims, damages, or liabilities arising from your participation in the walk/run or any injury or damage caused by your dog.
